

Go FAR: The Campaign for Catholic Relief Services is a five-year campaign to create transformational change for our most vulnerable sisters and brothers around the world. This groundbreaking campaign was launched in 2018 to fuel the impact of CRS' Vision 2030 agency strategy with faith, action and results.

The Go FAR campaign has raised more than \$492 million in cash and commitments, surpassing its \$350 million financial target.

This generous funding from campaign supporters has catalyzed considerable progress toward our ambitious Vision 2030 goals and advanced five priorities to accelerate progress against poverty and suffering.

The impact reported here represents global results from all agency funding sources through 2024.

At a Glance
